

DRIPPERS

With pressure compensation

- input: 1/4"
- output: 4mm
- for mounting on pipes PE 12-32mm
- working pressure: 0,5 - 3,5BAR
- minimal filtration: mesh 120
- for connection with two-way adapter DSK-5133L4, four-way adapter DSK-5135L4 and connector DSK-5231L4
